

## Department of ICT Guideline for Semester 2 2011/2012

**Semester 2 (short semester) is for GRADUATING/REPEATING students and first year students (1-year study plan) ONLY.**

Students who are NOT ALLOWED to do short semester:

- Second year students with more than 2 courses left.
- First year students with no courses listed in semester 2 in their study plan.

### **FAILURE CASES:**

- Fail 1 course, allowed to repeat in semester 2.
- Fail 2 courses:
  - If one of the courses is language, can repeat only one course (priority to repeat language).
  - If both are languages, can repeat only ONE (if fail LQM1061, priority is to repeat it first).
  - If both are core/service courses, can repeat both.
- If the students want to recheck paper, you must register that course first and start attending class while waiting for the result.
